High School
Summer Internship
Program in
Cancer Science
2016

“My high school internship at Roswell Park was a phenomenal experience...it gave me the knowledge I needed to know I wanted to pursue cancer research as a career.”

APPLICATION DEADLINE: 1/10/16

High School Juniors

If cancer research is in your career goals, begin this summer at **Roswell Park Cancer Institute**.

Program

- Experience scientific and clinical research at one of the world's first comprehensive cancer centers.
- Receive mentorship from internationally-known scientists and oncologists.
- Present your scientific research at a research conference.
- Participate in a course on principles in cancer science, writing and presenting, research ethics, and experimental therapies.
- Out-of-town student accommodations are available.
- Select students will receive a stipend, based on eligibility criteria and qualifications.
- Participate in program-sponsored social activities and field trips.
- Funding support is provided by the National Cancer Institute of the National Institutes of Health under award Number: P30CA16056

Program Dates

June 27 to
August 12
