

MY LIFE HISTORY

First, I would like to introduce myself. My name is Luchiya. I was born in Adi Keyh, Eritrea, Africa. I traveled from Eritrea to Ethiopia in 2015. I lived in Ethiopia for 1 year 8 months. I came to America in 2017.

I am so happy because I am living in Buffalo New York in America and reunited with my family.

I like Eritrea. I miss my country and I miss my grandparents, who are still in Eritrea. I miss my culture. I like my new home and country in Buffalo New York. I am happy for the free school and good people. I also like to play basketball. My family includes my father, 3 sisters and 1 brother. We are now here all together in Buffalo New York. One sister is still in Eritrea. I really miss my sister who has not yet arrived in America. I hope she will be able to come here too.
