I escaped from my country Eritrea to Ethiopia with two of my sisters on 01 /16/2016. Father and one sister were already in America since 2009. My brother lives in Holland.

I lived in Ethiopia for 1 year and 8 months.

I come to America in 2017.

I am so happy because I now live in Buffalo NY in America, reunited with my family.

I like Eritrea. I miss my country and I miss my grandparents who are still in Eritrea. I miss my culture.

I like my new home and country in Buffalo NY. I am happy for the free school and good people. I also like to swim.

My family includes my father, 3 sisters and 1 brother We are now here all together in Buffalo NY. One sister is still in Eritrea. I really miss my sister who has not yet arrived in America. I hope she will be able to come here soon as well.
